

Hello Parents!

It's great to meet those of you who are new to our school and to welcome back those who are returning. Below is a list of the supplies we are asking all students to bring at the beginning of the school year. We will have bins for you to deliver these items on the first day of school.

Your registration fee helped purchase paint, construction paper, glue, and other classroom staples. During the year we also request perishable and consumable items such as fresh vegetables, milk etc. Each month we post a supply list in our newsletter for parents to sign up to help with these specific items. Donated items such as these, help keep our tuition costs down.

Please bring your items to the **Popsicle party**. We will store these supplies and use them throughout the year.

Thanks for helping make our preschool a great place to learn and grow.

In Christ,

Tess Adams, Director
